

Join us for a free Car Seat Safety Event!!

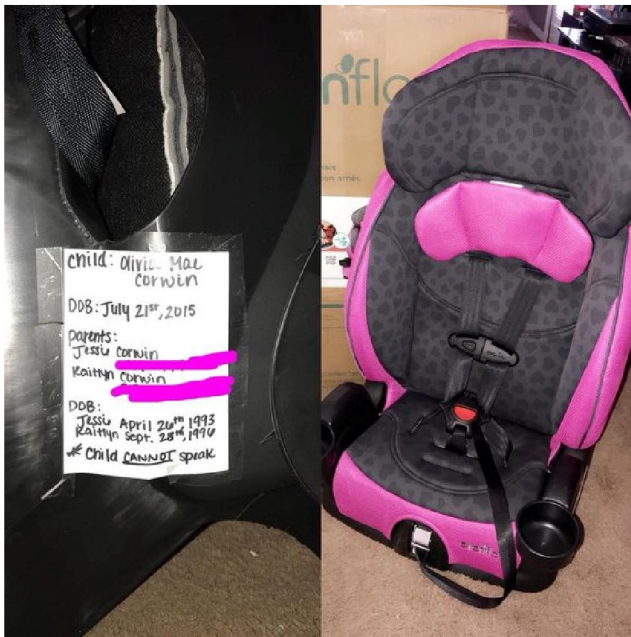

Where: Wolf Motors – 600 2nd Street West

When: Saturday, April 28th, 2018 from 8 am – 4:30 pm

****Advanced reservations appreciated****

Call or email Tami today! (952) 492-2340 * Tami@WolfMotors.com

Come have your car seat checked, enjoy snacks and refreshments and let your children play in our activity area while we answer all your car seat questions!

Come in and create free identification tag(s) to put on the side of your child's car seat. All too often emergency personnel come across an accident where the parents are unconscious and the child(ren) are too young to provide any information. These tags will provide basic information for emergency personnel in case of an accident.

Tami and Amy are certified Child Passenger Safety Technicians and will be available to assist with car seat installation or to answer any questions you have regarding Child Passenger Safety. Remember to always verify that the person or clinic offering to check your seats are certified CPS Technicians. You can find certified Child Passenger Safety Technicians at:
