

Well, are our faces red...

Did you ever have an email, a text, an article, or some other bit your work reviewed by dozens of people – and everyone misses a really, really bad error? Well, we really did it this time.

In the February/March issue of the Scott County SCENE newsletter, we inadvertently ran a promotion for the upcoming Jeans and Gems fundraiser for the Southern Valley Alliance for Battered Women from 2019. Yes, we ran last year's promo. Here is the accurate information:

Save the Date! Jeans and Gems Gala is April 17

SVABW's 21st annual Jeans and Gems Gala will be held Friday, April 17 at the Mystic Lake Center. The evening begins at 6pm and includes a social hour, silent and live auction, dinner and program. Tickets are \$75 each and are on sale now. This is SVABW's biggest fundraiser of the year and all proceeds further our mission of assisting victims of domestic violence in Scott and Carver counties.
