

CEDAR LAKE FARM REGIONAL PARK-PHASE 1

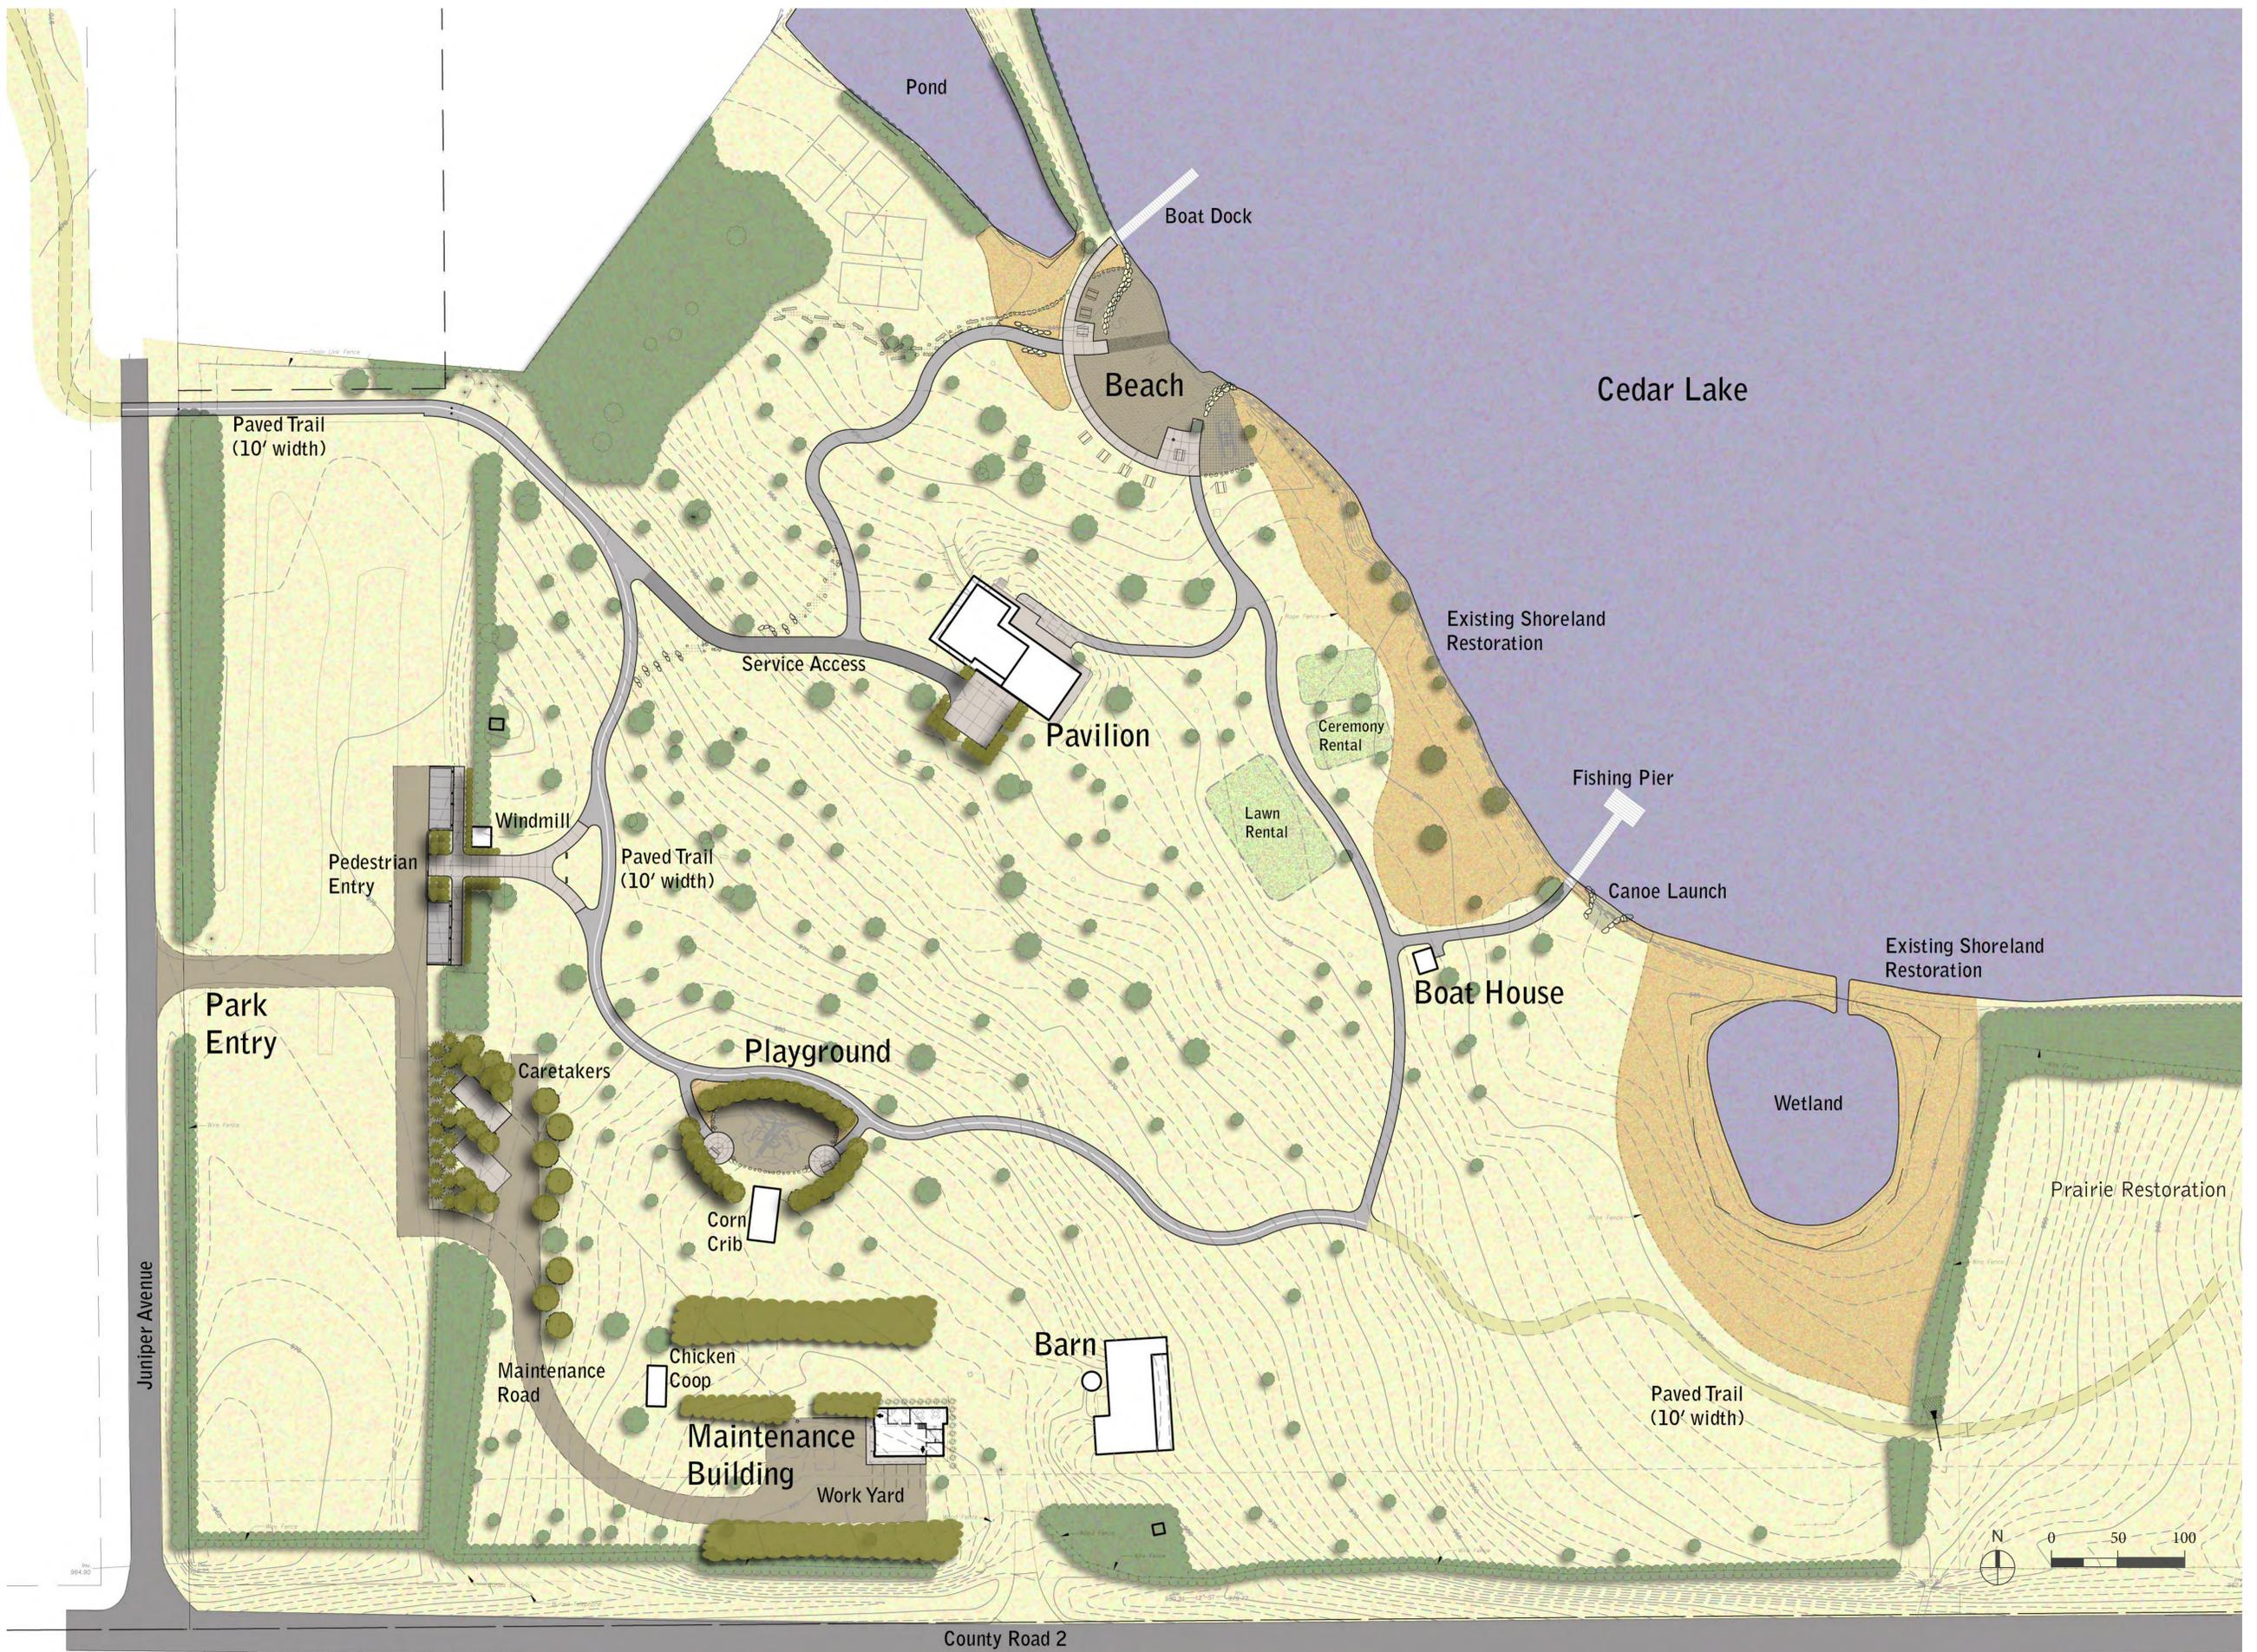

CONSTRUCTION DOCUMENTS: SITE PLAN

Illustrated here and listed below are amenities prioritized in the Phase One Park Improvements planning process. Project funding allows for many of the priorities to be implemented. Those shown in **BOLD** text will be completed with this project. Other amenities will be completed as funding becomes available in future years.

- Trails: **Paved trails in the core park area; ADA accessible to all park nodes/amenities. Soft surface hiking trails extending to the north and east.**
- **Expanded and improved beach**
- **Accessible paths and parking**
- Play structure
- Pavilion renovation and expansion. **Remodel focused on catering kitchen and restrooms.**
- **Barn preservation**
- **Maintenance and Activities Support building**
- **Canoe and kayak launch**
- Prairie restoration
- **Windmill preservation and entrance monument**
- **Automatic entry gate**
- **Removal of County Road 2 access**
- **Caretaker site upgrade**
- **Lighting, signage, utility upgrades**
