

# Video Inspection Set-Up on Smart Phone

Facetime, Skype for Business

## Facetime for iPhone/iPad Users

Scott County inspectors use iPads for inspections making this a Scott County Building Inspections preferred method. Almost all iPhones and iPads come with FaceTime installed and is easily accessible. If you are an iPhone or iPad user, this means Facetime is a convenient tool for your video inspection needs. Follow the steps below to set-up Facetime on your Apple device.

1. Open the FaceTime App and sign in with your Apple ID.
  - You can also do this from Settings > FaceTime
    - i. Turn on Facetime

2. Follow the FaceTime instructions in the How to Join Video Inspection handout:  
<https://www.co.scott.mn.us/DocumentCenter/View/13539/How-to-Join-Video-Inspection>

Note: FaceTime and Camera must not be restricted by your Screen Time Settings

- Go to Settings > Screen Time > Content & Privacy Restrictions > Allowed Apps and make sure that FaceTime and Camera are turned on. If you have Screen Time activated on for your Camera, you won't be able to use FaceTime.

If your FaceTime app is missing

1. Search for the FaceTime app in the App Store
2. Install Facetime on your apple device
3. Open the FaceTime App and sign in with your Apple ID
4. Follow the FaceTime instructions in the How to Join Video Inspection handout:  
<https://www.co.scott.mn.us/DocumentCenter/View/13539/How-to-Join-Video-Inspection>

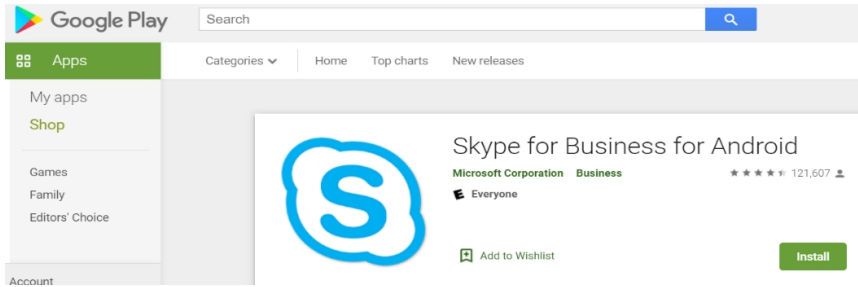

You can use FaceTime on any of these devices on Wi-Fi: iPhone 4 or later, iPad Pro (all models), iPad 2 or later, iPad mini (all models), and iPod touch 4th generation or later (only iPod touch 5th generation or later support FaceTime audio calling).

# Skype for Business
