

TREEHOUSE

Scott County

31%
of high school
students experience
hopelessness

WE ARE ON A MISSION **TO END HOPELESSNESS**

AMONG TEENS.

HOPELESSNESS LOOKS LIKE:

- Increased symptoms of depression and anxiety
- Anger-related issues
- Problems in school
- Isolation and avoidance
- Self-harm
- Substance abuse
- Thoughts and attempts of suicide
- Bullying and aggression
- Unsafe sex and dating relationships
- Criminal behavior

 TREEHOUSE

The Response

TreeHouse creates a safe place for teens to belong.

-  **SUPPORT GROUP**
-  **CONNECT**
-  **MENTORING**

Ending hopelessness starts when teens believe what is true and what is possible.

- ⬢ I am lovable, capable, & worthwhile
- ⬢ I am loved without strings & never alone
- ⬢ I have a future
