

1. What is the potential hazard?

---

2. Where is your defined play area for the child care children?

---

---

---

3. Is the hazard visible from your yard?  Yes  No

4. Are there any natural barriers or obstructions between your yard and the potential hazard (water, traffic, rail, machinery, etc.)

---

---

5. Keep in mind that rule part 9502.0315, Subpart 29a, defines “supervision” as a caregiver being within sight or hearing of an infant, toddler, or preschooler at all times so that the caregiver is **capable of intervening to protect the health and safety of the child**. For the school-age child, it means a caregiver being available for assistance and care so that the child’s health and safety is protected.

Describe your outdoor supervision plan (be specific).

A. Infants \_\_\_\_\_

---

B. Toddlers \_\_\_\_\_

---

C. Preschoolers \_\_\_\_\_

---

D. Schoolagers \_\_\_\_\_

---

6. What will you do when you are outside with the children and a child needs to use the bathroom, or someone needs a diaper change, or the phone rings or someone comes to the front door, etc.?

---

---

---
