RE: Missing Juveniles

FOR IMMEDIATE RELEASE:

The Scott County Sheriff's Office is requesting the public's assistance in locating two missing teens from the New Prague area. They were last seen together at 10:58 AM on 4/15/2017 leaving the Walmart in Shakopee. The initial investigation into their disappearance has uncovered communications that suggest that they may be interested in traveling to Austin, Texas. The children are identified as the following:

Hailey Ann Delbow
16 years old
5'04" 145 lbs.

Terry Dewayne Cook
17 years old
5'8" 110 lbs.

They were last seen driving a silver 2007 Volkswagen Jetta, MN license plate 678DXW.

"These kids are just that – kids," said Scott County Sheriff Luke Hennen. "There's little chance that they fully understand the risks and dangers of their actions. If they need help for any reason, help can be provided, no questions asked. But our first priority is making sure these juveniles return home safely, and we're asking the public's help in ensuring that happens."

If seen, please call 911.
