Project Updates

Scott County in partnership with MnDOT is finalizing the design for a diverging diamond interchange at the US Highway 169, Trunk Highway (TH) 41, and County Highway (CH) 78 intersection; frontage roads; and an overpass at CH 14.

The project is moving toward construction beginning in late 2018, with the majority of construction activities occurring during 2019 and 2020.

Open House

At the open house, you will have the opportunity to:

1. Review the design for a diverging diamond interchange at the US 169 and TH 41/CH 78 intersection and an overpass at the intersection of US 169 and CH 14;
2. Review the design for frontage road connections; and
3. Learn about the project process and the next steps

This is an informal open house meeting. No presentation will be given. County staff, MnDOT staff, and Township officials will be available to discuss issues and listen to your concerns.

Project Schedule

Fall 2017- Spring 2018	⇒ Open House - Final Design and Construction Staging ◆ Finalize Design ◆ Right of Way Acquisition
Fall 2018	◆ Construction Activities Begin
